

Manual Message Attachment

After installation, we will see the module configuration in the menu modules Prestashop

The screenshot displays the PrestaShop Modules List interface. On the left, a sidebar shows a search bar with 'message' entered and a list of categories: Favorites (0), All (217), Administration (20), Advertising and Marketing (10), Analytics and Stats (28), Checkout (5), and Comparison site & Feed management (4). The 'All' category is selected. The main area shows a list of modules filtered by 'Installed & Not Installed' and 'Enabled & Disabled'. The 'Authors' dropdown is set to 'All authors'. The search results include:

- Customer data privacy block v2.0.1** - by PrestaShop. Adds a block displaying a message about a customer's privacy data.
- LivePerson LiveChat + Messagerie v1.0.1** - by PrestaShop Partners - **Official**. LiveEngage est une façon moderne de parler aux visiteurs, qu'ils soient sur votre site via le bureau ou bien sur leurs appareils mobiles. [Read more](#)
- Message Attachment v1.1.0** - by RM RM. Send orders messages with attachment : images, pdf, SVG or other to the customers.

A 'bulk actions' dropdown is visible at the bottom of the module list.

Go to the order page and choose the detail order, section message

Order KHWLILZLL from John DOE

Recommended Module:

16, Main street 2nd floor
Miami, Florida 33133
